

## Senior Project Designer

G. L. Seaman & Company Inc. has been a leading contract furniture dealer in North Texas since 1984 with two offices, North Dallas and downtown Fort Worth. We are the largest Knoll dealer in North Texas and one of the top 8 in North America. A full service dealer working with the area's best-known commercial, government and healthcare sectors with both end users and design firms to create workspaces that are design friendly, efficient, and affordable.

Our business is growing and our Fort Worth office has an immediate opening for a Senior Project Designer to join our fast paced group. Candidates must have a degree in interior design, with a minimum of 5+ years of commercial furniture specification and space planning experience. Requirements include proficiency in the latest versions of AutoCAD and CapSpec (or other electronic specifier). Knowledge of Knoll furniture is a plus.

### Duties include:

- Working closely with our current team of Project Designers
- Organized with the ability to handle multiple priorities at the same time
- Good communication skills
- Attention to detail
- Ability to work with an energetic team
- Comfortable with consistent client contact

If you are looking to be a part of one of the fastest growing dealerships in North Texas and work in a city that appreciates its heritage and lifestyle, please e-mail your cover letter and resume to [medwards@glsc.co](mailto:medwards@glsc.co) or fax 817-336-5442.
