Rep Date & Dash

The Rep Date and Dash was a very successful event held on November 4, 2010 at the Williams Tower Plaza. There was plenty of good food, drinks, and prizes. The event showcased a "speed dating" theme where designers and students were able to have "mini-dates" with each vendor to see new and exciting products. A special thank you to all the planners and the event underwriters who were Tri-kes, Patcraft, Shaw Contract Group, Interceramic, and Coalesse.
