 2224 W 41st St
 Tulsa, OK 74107

COST:
 members FREE
 \$30 non-members

RSVP: By March 2nd to
 Jon.Leach@nationaloffice
 furniture.com

Come and tour the brand new facility in our local west Tulsa community!! Clinton was first built as a high school for the Red Fork District in 1925. When Daniel Webster High School opened in 1938 it became Clinton Junior High School, then later Clinton Middle School. The new \$20 million school was paid for through the 2005 bond referendum. It has things that spell school like lockers, a library and a cafeteria, but it's the state of the art technology that really makes the school stand out.

Those features include everything from wireless networks to fully smart tech classrooms. The classrooms have interactive whiteboards that can be controlled using a pen or just a finger. One of the new amenities is this auditorium which seats 700 people. The building is also eco-friendly. The temperature is controlled using Geothermal wells. Come and join us as we see all this new building has to offer!!

Special thanks to our event underwriters:
