

Petition For Inclusion of GRA Fee

Ms. Allison Levy, JD
Managing Director of Government and Regulatory Affairs
International Interior Design Association

Ms. Laura Tribble, IIDA
Vice President of Government & Regulatory Affairs
International Interior Design Association

Dear Ms. Levy and Ms. Tribble,

I am writing to request that the International Interior Design Association establish a mandatory \$15 GRA fee in the annual membership dues. This fee is a small price to pay for something that is so vital. Other design organizations, including AIA and ASID, already include GRA fees in their dues structure and it is time for IIDA to follow suit.

The \$15 per member allocation would be used to fund GRA activities, including supporting our coalitions for each Chapter and should be distributed based on the number of members in that Chapter. Government & Regulatory Affairs affects every member of our organization and every member should participate in the cost to conduct those efforts. We need IIDA Head Quarters to support our state efforts in much the same way the federal government supports each state. Thank you for your time and I greatly appreciate your consideration and implementation of this request.

Sincerely,
