

# 2011 IIDA Texas Oklahoma Chapter Sponsorship Package

Dear Industry Partner,

Recently the IIDA TX OK Chapter was presented the 2010 Chapter of the Year Award in recognition of the programs and services provided to our nearly 1400 members in the Texas Oklahoma region. This accomplishment would not have been possible without the support of our Chapter Sponsors!

Texas Oklahoma Chapter Sponsorship is the organization's program which offers Industry Partners an opportunity for promotional recognition and networking access to IIDA members within our region. Contributions help advance Interior Design throughout the Chapter and seven City Centers by providing educational programs, networking events, community service activities, and grant funding for interior design students and practitioners. In addition to financial support of these initiatives, Chapter Sponsors are invited to build stronger connections within the Interior Design community by volunteering on the City Center level. One of the most important programs the Chapter provides its members is through the IIDA Foundation. Grants are available to students seeking a career in interior design, and last year alone \$12,000 was awarded to students furthering their pursuit of becoming an Interior Designer.

We hope you decide to support the continued excellence and growth of the Interior Design profession in the Texas Oklahoma Chapter and become a 2011 Chapter Sponsor! How will you connect with IIDA this year?

Sincerely,  
Megan Ebert, IIDA, RID  
Texas Oklahoma Chapter President Elect
